

DR. DAN HILLIS

DENTIST, PRACTICE OWNER
MASON DENTAL CARE | MASON, OHIO

BIOGRAPHY

Dr. Dan Hillis has been practicing advanced dentistry, including restorative, surgical, and cosmetic care since 2001. Dr. Hillis is a longtime Mason resident and an avid outdoorsman. He started Mason Dental Care, a private fee-for-service practice in 2004.

Dr. Hillis is regarded as one of the most accomplished dentists in the Cincinnati area. His advanced techniques in reconstruction attract patients from around the country and have resulted in a network of referring specialists.

He holds both a B.S. and a Doctorate of Dental Medicine from the University of Kentucky and is certified in both Intravenous and Conscious Sedation. He has been mentored by some of the most recognized names in the dental industry and had numerous accreditations over the past two decades.

Dr. Hillis has lectured to several dental groups, given live presentations and webinars, and has been published multiple times in peer-reviewed magazines. Additionally, he had the opportunity to advise the P&G Oral Health Care team on dental product development.
